## **COOPERATION OF EXTERNAL ENTITIES WITH THE EPC CONTRACTOR**

**PDH Polska informs business entities who express their interest in cooperation with HEC, that we do not provide information, mediate, arrange contacts or undertake any other activities in the field of economic cooperation with HEC.**

Please be advised that the "Polimery Police" project is carried out by Hyundai Engineering Company (HEC) in the EPC formula, selected through a tender procedure. To meet numerous inquiries, PDH Polska informs business entities who express their interest in cooperation with HEC, that we do not provide information, mediate, arrange contacts or undertake any other activities in the field of economic cooperation with HEC. Please note that PDH Polska has no authorization from HEC, to provide such information or perform such activities.

Having the above in mind, please send these inquiries directly to our EPC Contractor, HEC. In addition, we kindly informs that all inquiries addressed to us, regarding business cooperation in the implementation of "Polimery Police" project with the EPC Contractor, for example via contact form located on the [pdhpolska.eu](http://pdhpolska.eu) website or other forms of communication with Our company, in reference with the content of this statement, can remain unanswered.
