Grupa Azoty Polyolefins at the Plastpol fair

Grupa Azoty Polyolefins for the second time took part in the PLASTPOL Plastics and Rubber Processing Fair in Kielce.

- The PLASTPOL fair is the largest fair meeting in this part of Europe addressed to representatives of the plastics industry. So we could not miss it – says Andrzej Niewiński, PhD, President of the Management Board of Grupa Azoty Polyolefins S.A. - Representatives of our company held 60 meetings with potential customers representing such industries as the packaging, food, cosmetics, automotive, construction and household industries. Also appeared potential distributors.

This edition of the fair was attended by 300 exhibitors from 18 countries. This is the first trade fair event after the pandemic break. Therefore, in order to enable the meeting with as many partners as possible, were used the solutions enabling remote visits to the stand of the Grupa Azoty Group.

The Grupa Azoty stand was also attended by athletes supported by the companies of the capital group. Marcin Lewandowski- an athlete who won the bronze medal at the World Championships in Doha 2019 at a distance of 1500 meters. Also KS Azoty-Puławy handball players Michał Jurecki, Wojciech Borucki and Dawid Federńczak met with the participants of the fair.
